47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I depend on Sonic for several reasons and they have always been amazing and I never have a problem with the service if for any reason I need to contact them (I can only think of twice) they are always attentive to whatever my situation is and they never make me feel intimidated. I have been using Sonic for the last 5 years and I have never been disappointed, not only do they have a superb product and I was in need of internet service that I could rely on since my daughter is a med student and was in need of a internet service that would not fail her and Sonic was it! I love Sonic and can't live without them I will never use anyone else Sonic is here to stay!!

Thank you,

Karen Funk
